Problem Set 5
CPSC 311 Analysis of Algorithms
Andreas Klappenecker

The assignment is due next Wednesday, October 26, before class.

Solve the following exercises from the textbook; note that the book distinguishes between problems and exercises.

- Read Chapter 15

- Exercise 15.2-1

- Exercise 15.2-3

- Exercise 15.2-4

- Exercise 15.4-1

- Exercise 15.4-5

- Problem 15-2 (I suggest that you implement your solution)

Make sure that you structure your answers well. Please typeset your solutions in LaTeX or turn in a neatly written solution.
