

# CIT 2005

Bhubaneswar, India, Dec. 20-23

## 8<sup>th</sup> International Conference on Information Technology

Organized by Orissa Information Technology Society (OITS) ([www.oits.org](http://www.oits.org))

<http://www.citconference.org/>

## CALL FOR PAPERS

### IMPORTANT DATES

- July 15, Full papers due  
[Extended deadline]
- Aug 20, Acceptance notice
- Oct 6, Camera-ready copy
- June 15, Tutorial proposal due

### General Chairs

D.K. Panda, Ohio State University  
[panda@cse.ohio-state.edu](mailto:panda@cse.ohio-state.edu)

S. Padhi, Utkal University  
[spadhy@sancharnet.in](mailto:spadhy@sancharnet.in)

### Program Chairs

R. Mall, IIT Kharagpur  
[rajib@cse.iitkgp.ernet.in](mailto:rajib@cse.iitkgp.ernet.in)

M. Satpathy, Univ. of Reading  
[M.Satpathy@reading.ac.uk](mailto:M.Satpathy@reading.ac.uk)

### Tutorial and Workshop chairs

M. Patra, Berhampur University  
[manasrpbu@yahoo.com](mailto:manasrpbu@yahoo.com)

A. Das, IMB Centre, Bhubaneswar  
[ajitmita@rediffmail.com](mailto:ajitmita@rediffmail.com)

B. Patel, GM College, Sambalpur  
[Patel\\_bk2000@yahoo.com](mailto:Patel_bk2000@yahoo.com)

### Publicity chairs

S K Udgata, Berhampur University  
[Sibu\\_udgata@yahoo.co.in](mailto:Sibu_udgata@yahoo.co.in)

J R Hota, KIIT, Bhubaneswar  
[Jyotiranj\\_h@yahoo.com](mailto:Jyotiranj_h@yahoo.com)

### Advisory chair

J.R. Sahu, OITS  
[Jr\\_sahu@yahoo.com](mailto:Jr_sahu@yahoo.com)

### Steering Committee Chair

R. Mahapatra, TexasA&M University  
[rabi@cs.tamu.edu](mailto:rabi@cs.tamu.edu)

\*\* Further details in  
[www.citconference.org](http://www.citconference.org)

The main objective of the Conference is to provide a quality forum for scientists and engineers from various disciplines to present their latest research findings on all topics in the area of IT. Although the focus will be on Computer Science Issues, we welcome contributions from management, business and other disciplines. The focus of this conference will be on bio-informatics, e-business and network security. Topics of interest include but are not limited to:

- Ubiquitous computing, Mobile computing
- Embedded and Real time Systems
- Parallel and Distributed Computing
- E-commerce and network security
- Fault-tolerance and Reliability
- Formal Methods
- Soft Computing, Multi-agent Systems
- Bioinformatics and Computational Biology
- Computational Finance
- Databases, Data Warehousing
- Language Technology

Paper submissions: To be submitted electronically in pdf/ps/MSWord format. Manuscripts shall be limited to twenty double spaced pages of size 8.5inX11in, in 12pt fonts. Papers shall be sent to either of the program chairs as an email with subject line cit2005 submission.

Workshops and Tutorials: Workshop and Tutorial proposals are sought in all areas of IT, and shall be addressed to the advanced students in this field.
